

JUDGE BILLY S. BALL
JUSTICE OF THE PEACE, PCT ONE.
ANGELINA COUNTY, TEXAS

WARRANT AMNESTY PROGRAM

Justice of the Peace, Pct. One, Angelina County, Texas is offering a warrant amnesty program from **February 1, 2024** to **April 30, 2024**. Anyone with an active Class C Warrant is encouraged to take this opportunity to save some money and get a fresh start.

Anyone that voluntarily comes to the office will NOT be arrested for the outstanding Class C Warrant(s).

All warrants will be removed when a citizen contacts the court to pay a minimum of one half of the total amount due and start a payment plan for the balance owed.

As an added incentive, the court will waive the warrant fee during this period.

The court will also offer assistance to those individuals that may not be able to pay half down or pay in full and will work out an agreeable action plan for anyone that is willing to make the effort to come in and clear up their warrants.
